Manufacturer's Certification Statement

Tax Credits for 2009 and 2010 The American Recovery and Reinvestment Act of 2009

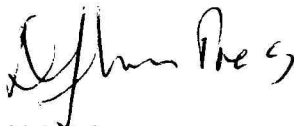

FiberAmerica certifies that the following list of products it manufactures under its Green Seal line of insulation products in its Allentown, Pennsylvania plant, qualifies for Federal tax credits for the 2009 and 2010 tax years as energy efficient building products, as set forth in The American Recovery and Reinvestment Act of 2009.

Green Seal Qualified Energy Efficient Building Products

Loose Fill	Attic- Stabilized
Loose Fill- All Borate	Wall Spray- All Borate

More detailed information about the tax credit including product eligibility sheet may be downloaded from the FiberAmerica website at www.fiberamerica.us. More information is also available at www.energystar.gov. This manufacturer's certificate statement is not required to be submitted with your tax return; however, it should be retained with your tax records for future reference.

Under penalties of perjury, I declare that I have examined this Certification Statement and to the best of my knowledge and belief, the facts are true and correct and complete.
